Specifications

The size of the Premium top right-hand banner (A) on any page is 500 pixels wide by 70 pixels deep.

For logos appearing on the right-hand advertising banner (B) the preferred size is 240 pixels wide by 70 pixels deep. Logos which do not fit this format should be sized appropriately, according to their shape. Logos submitted at 240 pixels by 240 pixels will not be accepted.

Positions in the right-hand banner are not guaranteed, as all logos are rotated so that each one will appear in the top spot at some point.
